This registration application, together with the requested information and documents, must be sent to our email address subcontratas.eie.mexico@eiffage.com, copying in the purchasing manager who sent you this document, for review and registration. After receiving this registration application, Eiffage Energia will send an electronic form to the contact person provided above, which must be completed in order to proceed with the approval and classification of your company. You will also be asked for the minimum documentation to submit in order to proceed with your classification in our Eiffage Energia database. Unless the above documents are delivered, the company cannot be registered in Eiffage Energia's management system, no contracting can take place, and in all cases, invoices submitted will not be processed for payment.

Acceptance of this document implies full acceptance of our General Conditions for the Procurement of Works and Services, our General Conditions for the Purchase of Goods and Products - as applicable - and the Eiffage Group invoicing instructions, published on our website <https://www.eiffageenergiasistemas.com/politica-de-compras/>
